SKIER NAME: _____

RELEASE OF LIABILITY: I, the undersigned, and if I am a person under 18 years of age, my parents and I, am/are aware that the sport of skiing, and even more so, freestyle skiing, in its various forms, is a hazardous sport involving the risk of injuries and death. The risks include inherent risks and risks associated with the operation of the ski area. Examples of risks of skiing include, but are not limited to, terrain changes; lift towers; signs; trees; stumps; avalanche; ice; snow conditions; collisions with other skiers, man-made objects or operating equipment; failure to ski within one's ability or under control; failure to negotiate mountain terrain grooming equipment; failure of chairlift equipment; and failure or inappropriate adjustment of my ski equipment. I realize that injuries are a common and ordinary occurrence of this sport. I agree, as partial consideration for my participation in this competition to assume and accept all such risks or personal injury, death or property damage which arise from the sport, program, activity and/or actions, omissions or negligence of Wasatch Freestyle and/or Venues, their employees, volunteers and agents in the course of this event and it's ancillary activities. I, my heirs, guardians, legal representatives, or assigns agree to release from any legal liability and promise never to file a claim or suit against Wasatch Freestyle Foundation, Inc., Friends of Wasatch Freestyle, Inc., or the owner or operator of any venue where we conduct team activities and events ("Venues") for any injuries or death caused by or resulting from the risks which I have accepted and assumed herein or in any other way related to my participation in skiing, the operation of the ski area, or ski programming and events, regardless of whether or not Wasatch Freestyle Foundation, Inc., Friends of Wasatch Freestyles, Inc., Venues, their agents, volunteers or employees were negligent or whether or not the injury resulted from an inherent risk of skiing. Venues, include, but are not limited to, Deer Valley Resort, Deer Valley Corporation, Snowbird Ski and Summer Resort, Snowbird Corporation, the Utah Olympic Park, and the owner of any property or facility at Deer Valley or Snowbird, their officers, members affiliated organizations, agents, volunteers or employees

I hereby agree to indemnify and hold harmless Wasatch Freestyle Foundation, Inc., Friends of Wasatch Freestyle, Inc., and Venues, agents, volunteers and employees from any claims arising from my participation in Wasatch Freestyle programming and/or competitions, and any claims brought against Wasatch Freestyle, Friends of Wasatch Freestyle, and/or Venues arising from my actions. I am signing this document freely and of my own accord, realizing it is binding upon myself, my heirs and assigns, and in the event that I am signing it on behalf of any minors, that I have full authority to do so, realizing its binding effect on them as well as myself.

MEDIA RELEASE: I hereby authorize and give my full consent to Wasatch Freestyle to use any and all photographs, videotapes and/or film in which I appear while training for or competing in the activity with which I am affiliated with Wasatch Freestyle. I further agree that

Any action to enforce this agreement, or any legal action between or among the Skier and Wasatch Freestyle, Friends of Wasatch Freestyle and/or Venues shall be filed in a court of competent jurisdiction in Summit County, Utah.

EFFECTIVE DATES OF AGREEMENT. This Agreement is supplemental to any prior registration and release agreement(s) made between me and Wasatch Freestyle Foundation, Inc. It shall survive and govern, without limitation, my participation in any Wasatch Freestyle program or activity, regardless of season or year, until superceded or supplemented by another signed, written registration and release agreement. Where this Agreement conflicts with the terms of any prior release or indemnity agreement I have signed for the benefit of Wasatch Freestyle Foundation, the terms most beneficial to Wasatch Freestyle Foundation shall govern.

CONCUSSION AND HEAD INJURY POLICY. (UCA §26-53-201.) Any athlete under the age of 18 years suspected of having a concussion/traumatic brain injury must be removed immediately from participation in a team activity. The minor athlete will be prohibited from further participation until evaluated and cleared in writing to resume participation in team activities by a qualified health care provider trained in the evaluation and management of concussive head injuries within three years of the day on which the written statement is made. A repeat concussion that occurs before the brain recovers from the first -- usually within a short period of time (hours, days, or weeks) -- can slow recovery or increase the likelihood of having long-term problems. In rare cases, repeat concussions can result in edema (brain swelling), permanent brain damage, and even death. Please refer to the Center for Disease Control for additional resources on the subject.
